Fountain Lakes Association Social Highlights

Heads Up! Single Family Homeowners

Please remember that Fountain Lakes Community Association has maintenance and repair standards for homeowners that help maintain the value of all members' homes. Many homeowners have been neglecting the cleaning, painting, and needed repairs of their mailboxes and posts. We ask that you please check the condition of your mailboxes and posts and perform any needed maintenance. It is the responsibility of the local Association Boards and their Managers to follow up and ensure that we keep Fountain Lakes looking sharp.

Also, we have received several complaints about yard workers and tree trimmers firing up their equipment early on weekend mornings. It would be a considerate move for your neighbors if you advised your contractors to hold off until at least 8 AM to begin work. I'm sure your neighbors would be very appreciative.
